## Eureka! Program Adult Reference Form

### Applicant Information

Name: \_\_\_\_\_ Phone Number: \_\_\_\_\_

Address: \_\_\_\_\_ Zip Code: \_\_\_\_\_

The Eureka! Program at Girls Incorporated of Central Alabama is an intensive science, technology, mathematics and adventure sports enrichment program developed to promote confidence and competence in girls entering into the eighth grade. While learning to apply the principles of science, math, and technology to fields like engineering, architecture, and digital technology, selected applicants will also be exposed to personal growth opportunities to help them reach their greatest potential. The summer camp on the campus of UAB consists of hands-on science, math, and technology classroom projects, offsite field trips, and a variety of quality guest programs. Eureka! girls will also participate in monthly “Eureka! Nights” activities during the school year.

All of the information provided on this form will remain confidential.
